Occupying a generous plot within the ever-popular village of Dolton, this beautifully presented four double bedroom detached bungalow offers spacious and versatile single-storey living, complemented by a private enclosed garden, double garage, ample off-road parking and the significant advantage of being offered to the market with no onward chain.

Stepping inside, an entrance porch provides the perfect place for coats, boots and everyday essentials before leading through to the heart of the home – a wonderfully sociable kitchen/dining room. Flooded with natural light from two large windows, this inviting space has been thoughtfully designed for both family life and entertaining. The kitchen benefits from an attractive multi-fuel Rayburn, a separate electric oven, extensive worktop and cupboard space, a useful pantry cupboard, and an additional storage cupboard housing the washing machine. There is also dedicated under-counter space for a dishwasher. At the far end of the room, the dining area creates a welcoming setting for everything from relaxed family breakfasts to larger gatherings with friends and loved ones.

An inner hallway connects the remaining accommodation. The living room continues the bright and airy feel found throughout the property, with large French doors flanked by full-height windows drawing in an abundance of natural light while creating a seamless connection with the garden beyond. During the warmer months, the adjoining raised decking effectively extends the living space outdoors, while a charming log-burning stove provides a cosy focal point throughout the winter.

The bungalow offers four genuine double bedrooms, providing flexibility for growing families, visiting guests or those seeking dedicated home office space. Three bedrooms overlook the rear garden and each benefits from built-in wardrobes, while the fourth bedroom is positioned to the front of the property. The family bathroom is fitted with a four-piece suite comprising a bath, separate shower, pedestal wash basin and WC, whilst a separate cloakroom adds further convenience for both residents and visitors.

Outside, the enclosed rear garden has been thoughtfully landscaped to create a peaceful and private retreat. Accessible from both sides of the bungalow, the garden offers a wonderful variety of spaces to enjoy throughout the seasons. The raised decking immediately outside the living room provides the ideal setting for al fresco dining, morning coffee in the sunshine, summer barbecues or a relaxing evening glass of wine.

Beyond the decking, the garden unfolds into a delightful mixture of lawn, raised beds, wildlife-friendly planting and charming pond features. The raised beds provide excellent opportunities for keen gardeners to grow flowers, vegetables or herbs, whilst also adding structure and colour throughout the year. The ponds encourage local wildlife, attracting birds, dragonflies and beneficial pollinators, helping to create a tranquil and ever-changing natural environment. Areas of wild garden further enhance biodiversity and offer a softer, more natural landscape, while the lawn provides valuable space for children to play, pets to roam or simply to enjoy the outdoors. Together, these features create a garden that is both practical and beautiful, offering something for every member of the family.

To the front of the property, a substantial driveway provides parking for multiple vehicles and leads to the double garage. Benefiting from power and lighting, the garage offers excellent potential as a workshop, hobby space, secure storage area or additional parking. An adjoining open-fronted storage area provides further versatility for garden equipment, logs or outdoor furniture.

Dolton remains one of North Devon's most sought-after villages, combining a strong sense of community with an impressive range of amenities rarely found in villages of its size. Residents enjoy the convenience of two welcoming pubs, a traditional butcher's shop, village store and post office, primary school and an active village hall hosting a variety of events throughout the year.
