12 Glenkeen Avenue, Jordanstown BT37 0PH

This attractive detached villa is situated in the highly regarded and established area of Jordanstown, an area well known for its appealing townscape character and desirable residential setting. The property offers excellent potential for those seeking a spacious home with scope to modernise and create a property tailored to their own requirements. Internally, the accommodation comprises three well-proportioned bedrooms, two reception rooms and a fitted kitchen, providing flexible living space for a variety of needs. The property benefits from oil-fired central heating and double glazing in uPVC frames, with the exception of two windows. Externally, the extensive rear garden is a particular feature, offering generous outdoor space for families and keen gardeners. The garden may also provide potential for extension, subject to the necessary planning permissions and consents. Priced to allow for modernisation, this detached villa represents an excellent opportunity in a highly sought-after location.
