Changing Lifestyles

A deceptively spacious and beautifully presented 1 Bedroom Ground Floor Apartment, occupying an extremely convenient position just moments from the centre of Northam. Generous proportions throughout set this home apart from many 1 bedroom properties, while the large shared garden and pedestrian rear access provide an added benefit rarely found at this price point.

Step inside and the sense of space is immediately apparent. The Lounge / Dining Room is a particularly welcoming reception space, comfortably accommodating distinct sitting and dining areas while still feeling open and uncluttered. Neutral décor and plenty of room for substantial furniture make this a highly usable everyday living space. The adjoining Kitchen is equally characterful, with white fitted cabinetry complemented by timber effect work surfaces, colourful tiled splashbacks and terracotta-style flooring. There is plenty of room for additional dining or a home-working area, while an adjoining Store / Utility cupboard provides useful extra storage and practical space.

The Bedroom is an impressively generous double, offering ample space for wardrobes and further freestanding furniture without compromising the feeling of openness. The accommodation is completed by a well-appointed Bathroom with a white suite and shower over the bath.

Outside is one of the property's real surprises. Pedestrian access leads through the rear courtyard and onwards to a substantial shared lawned garden, bordered by mature planting and offering a genuine outdoor space to sit, relax and enjoy. A separate path leads round the rear of the property to a gate providing rear access to the street.

With its excellent proportions, attractive presentation and central Northam location, 1B Cross Street would make an ideal first purchase, downsize or investment opportunity. Early viewing is strongly recommended.
