Rarely does such a unique penthouse apartment come onto the open market. This magnificent three bedroomed penthouse property has been beautifully presented leaving buyers with nothing to do and a great opportunity for buyers to enjoy large, open plan living and parking space on the banks on the River Lagan.

The development is situated in within walking distance to everything Belfast city centre has to offer with easy access to shops, restaurants, bars and the motorway network. Titanic Quarter, Odyssey Arena, Waterfront Hall and St Georges Market are all a short walk away.

The apartment compromises of a light filled living room, dining room and kitchen views across the city. There are three double bedrooms, the master with an ensuite and main family bathroom and private parking space.

Ready to move in and enjoy city living with easy access to motorway networks and we highly recommend viewing.
