BEECH HILL VIEW

An aerial photograph of a city at sunset. The sky is filled with vibrant orange, red, and purple clouds. The sun is low on the horizon, casting a warm glow over the city. A large river flows through the city, and a modern suspension bridge with two tall towers spans across it. The city buildings are illuminated with lights, and the water reflects the colors of the sunset. The overall scene is peaceful and scenic.

Life, lived well.

Beech Hill View combines the best aspects of modern living with an idyllic rural sanctuary that busy lifestyles crave.

It's a relatively new development, yet it's based on traditional values; a rustic setting but just 10 minutes from the city centre; uniquely designed homes that encourage a sense of belonging and community.

It's a rare opportunity to live life well in every respect.

Well designed.

You'll find well-considered design everywhere at Beech Hill View. From the spacious front-facing 'Paddock' with integral water feature that gives the development its community village feel, to the clever use of space in every kitchen, no aspect of modern life has been overlooked.

Secluded gardens offer peaceful sanctuary; a wide boulevard places traffic further from pedestrians and front gardens; a well-lit jogging and walking trail offers wellbeing on your doorstep.

Walking Trail and Cycle Pathways

Families who value fitness and fresh air will enjoy the development's own 5km walking/jogging trail and cycle pathway network.

Ecological benefits

Each Braidwater development looks to provide significant biodiversity enhancement, delivering opportunities for a range of wildlife species. This includes grassland, hedgerow, scattered tree planting and a garden of biodiversity.

Views

Urban living effortlessly blends with countryside landscapes, with Beech Hill View's perfect location on the suburban border of the North West's largest city.

Play Area

On top of the wildlife enhancement and walking trail, a play park is located in the centre of the overall site which will help form a focal point for games, fun and plenty of activity.

An aerial night photograph of a waterfront city. A wide river flows through the center, reflecting the city lights. On the right bank, a prominent stone building with a clock tower stands out. The foreground shows a paved plaza and a road with streetlights. The background features a cityscape with various buildings and a distant mountain range under a twilight sky.

Well connected.

Beech Hill View is situated in a peaceful suburb with unspoiled countryside views. Yet it is exceptionally well-connected to important routes and destinations. The vibrant city centre is 10 minutes away by car, while some of the region's best schools, supermarkets and restaurants are even closer. City of Derry airport is 8 miles away and the Ulster University campus at Magee is just 4 miles. Or head east on the neighbouring A6 Glenshane Road to reach Belfast in under 90 minutes.

Parks and Woodland Trails

Unwind in the great outdoors with a choice of local parklands and riverside walks, such as the recently unveiled Drumahoe District Park, Faughan Valley, Kilfennan Valley Park, Ness Country Park, St. Columb's Park and the glorious two bridges walk which offers a complete circumference of the River Foyle.

Sports and Leisure

Close by, golfers can enjoy the City of Derry Golf Club, while those who keep fit can find a range of sports clubs catering to all age groups. The fabulous Council run Foyle Arena is a hive of activity with everything from wall climbing to swimming lessons.

Education

You're spoiled for choice in the area, with a wide range of primary, secondary and grammar schools nearby. For further education, the Ulster University Magee campus is just 10 minutes away, as well as the North West Regional College.

Park and Ride

Another short distance away is the main Park and Ride for the city ensuring locals can hop on the 212 to Belfast for a day out. This facility is not offered cityside so it's another added advantage to settling down on the Waterside.

A6 Roundabout

If you jump in the car you only have to exit Beech Hill View to the left and within 30 seconds you'll be swinging around the new A6 roundabout. Not only will this allow you to drive straight onto the new dual carriageway but it also means that you don't have to navigate through traffic lights or city congestion.

Supermarkets

Lisnagelvin, Crescent Link, Spencer Road, need we say more. It's all on your doorstep. From the filling station 100 yards to the right of Beech Hill View, Craig's on the Crescent Link, to the 5 minute journey past Altnagelvin, it couldn't be easier.

Public Transport Links

On top of the existing bus network throughout the Waterside, residents of Beech Hill View will have an easy access bus connection through the provision of a new bus stop located in the paddock area.

Well appointed.

Every home at Beech Hill View is built to exceptionally high standards. It's what we're famous for. But our homes are much more than simply bricks and mortar or glass and timber put together well. It's the fit and finish that sets us apart. From our homely turnkey packages to luxurious upgrades, every home oozes quality and well-considered class.

All specification images are from Braidwater Homes 'show homes' and are for illustration only. Standard specification and upgraded options are correct at time of going to print but maybe subject to change

THE GREAT NORTH WEST

Whether you live on the Waterside or Cityside, our great city sits as the hub of the North West.

The North Coast offers everyone in the area the opportunity to explore an area of outstanding natural beauty on a perfect day away. Attractions include the world class Giant's Causeway, Carrick-a-Rede rope bridge, the Antrim coastline and one of Michael Palin's best loved train journeys from Coleraine to Derry.

When completed the newly ungraded A6 will reduce journey times to Belfast by up to 20 minutes, so if you buy a new home in Beech Hill View you could make a return trip to Belfast within 3 hours. Making commuting easier, the new A6 also opens the door for local business growth and investment.

As for the city itself, homebuyers can enjoy the ease of access to the Waterside and Cityside areas of Derry/Londonderry, UK City of Culture in 2013. The city has a wide range of galleries and music venues within its 17th century walls, as well as some of the best places to eat and drink in Northern Ireland. The Peace Bridge, a symbol of hope, links the two sides of the historically divided city with an iconic cycle and footbridge across the River Foyle.

No matter whether you want to adventure and explore, conduct business or shop til you drop, the North West has it all.
