Interior from a different Hagan show home.

Welcome to Ballantine Garden—an energetic new neighbourhood just outside Lisburn, where city style and countryside calm sit side by side. Set on the Hillhall Road, this bold development will deliver high-spec, energy-efficient homes across six thoughtfully phased stages. With a mix of A-rated EPC apartments, townhouses, semi-detached and detached homes, Ballantine Garden is designed for how people really live—whether you're upsizing, downsizing or just getting started. Every home balances space, efficient design and smart layout choices to make day-to-day life easier and more enjoyable.

This is a place for sociable mornings and lively evenings, with the green open space of Hillsborough one way and the bustle of Lisburn just the other. From rooftop solar to walkable amenities, Ballantine Garden is where modern design meets everyday rhythm—in a location that's as relaxed as it is ready to go.

# A handy and sociable location.

## Well-placed in Lisburn

# MAKE NEW STARTS, EMBRACE LOCAL LIFE, ENJOY LATE NIGHTS.

Ballantine Garden brings a fresh take on contemporary living to one of Lisburn's most vibrant and established locations. The development offers a range of 1-, 2-, 3-, 4- and 5-bedroom homes—apartments, townhouses, semi-detached and detached—each finished with Hagan's signature quality and an A-rated EPC spec.

Inside, layouts are open and future-proofed. Expect generous kitchens, high-performance glazing, and integrated technology like roof-integrated solar panels and Ember PS smart heating. These are homes designed to feel light, liveable and energy-efficient from day one.

Lisburn has always been a city of makers—from linen to lamp-lighting, its past is stitched into its present. That spirit of industry and innovation lives on in its creative community, independent shops and a growing food scene—all just a short hop from Ballantine Garden.

With top-rated schools like Wallace High and Friends' close by, and Sprucefield, Hillsborough Forest Park and Lisburn station all within easy reach, life here is connected, cultured and full of colour. Whether you're winding it down or turning it up, this is a place that works for your rhythm.

Ballantine Garden isn't just about finding a new home—it's about becoming part of a city that's still making its mark.

## Designed Efficient

# The right choices for you and the planet.

## Timber frame construction

Timber frame homes are faster to build-often wind and watertight within two days. High-performance insulation contributes to reducing energy bills by up to 50%. As a renewable material, timber uses 20% less energy in production, with every tree harvested replaced, making it one of the most sustainable construction methods.

## High quality windows & doors

Windows and doors are sustainably made by Baskil Window Systems using wind and biomass energy, with strong recycling and water treatment in place. Double-glazed uPVC windows combine style and performance, while composite entrance doors and hardwood frames offer modern comfort, energy efficiency, and a distinctive finish.

## Smart Heating Control System

The Ember PS smart heating system offers convenient, cost-effective control with a free app for multiple users. Manage heating from your phone, at home or abroad. The WiFi-ready RF thermostat communicates with your boiler to maintain ideal temperatures, with features like boost, scheduling, holiday mode, and multi-home control.

## Renewable PV solar panels

Each low-profile roof is integrated with black solar panels, depending on orientation, to support an A-rated energy performance. The system produces electricity even on cloudy days, converted via a Solis Mini Series Inverter, with potential savings of up to £500\* a year (\*energy tariff dependent).

## Thermally efficient insulation

High-performance specification with excellent U-values helps retain heat, reduce emissions, and contributes to lower energy bills. Glass mineral wool insulation in timber walls minimises air movement, cuts heat loss, and absorbs sound. Glidevale Protect TF200 Thermo insulating breather membrane protects the external walls, insulated ground floor and roof exceeds building regulations-delivering comfort, efficiency, and long-term savings.

## Green Mortgages

Green mortgages offer incentives-such as lower interest rates or cashback-for buying energy-efficient new homes. They typically require an EPC rating of A or B, which our homes meet. Benefits include reduced borrowing costs due to lower energy use, aligning with government efforts to promote sustainable, low-carbon housing.

# Aspirational new homes, thoughtfully delivered by Hagan.

Every innovative, forward-thinking Ballantine Garden home is designed by our in-house architects and creative team. For 37 years, Hagan has been making high-quality, competitively priced homes and building thriving communities.

# Your new home in 8 steps: First-time buyer

Buying your first home is exciting, but knowing where to start can be tricky. That's why we've broken it down into eight simple steps.

First, check if you're eligible for a mortgage. Then, once you've found the right home, secure it with a booking deposit. Our Selling Agent will guide you and request your solicitor's details — if you don't have one, we can recommend trusted options.

Wherever you are on your journey, we're here to help. Let's get you moving!

# Made for living **by Hagan**

**1.****Experience that builds better places to live**

With over 37 years of homebuilding behind us, we know what matters. Every home is part of a bigger picture—designed for how people really live, now and in the future.

**2.****Beautifully made, built to last**

We set a high bar for quality. Our homes are finished with care, precision and a clear ambition to create something that feels special from day one.

**3.****Homes with more vision**

Every layout, detail and finish is shaped by our in-house design team. We focus on flow, character and potential—so your home not only works well, it feels right.

**4.****Fairly priced, thoughtfully planned**

We deliver lasting value through good design, lower running costs and homes that hold their worth over time.

**5.****Designed efficient**

From insulation to smart heating, our homes retain heat and reduce energy use. Modern systems make life simpler—and more affordable.

**6.****We stand by what we build**

Every home comes with two years of cover from Hagan for defects in workmanship or materials. They are also protected by a 10-year NHBC structural warranty.

**7.****Support that's genuinely helpful**

We stay involved after you move in, with a dedicated after-sales team and clear, reliable support when you need it most.

**8.****Make it your own**

Choose from a wide range of finishes—from worktops to handles and doors. Our visualiser helps you picture your space before it's built.

**9.****Part of something bigger**

Our homes are well-placed near schools, shops and green space—and often part of wider regeneration that brings fresh energy to local communities.

**10.****A smart move for the future**

With strong resale potential and a reputation for quality, a Hagan home is more than a good place to live—it's a move you can feel confident about.

# Support that stays with you

Customer care at Hagan starts the day you reserve your home. From your personal handover with our site team to the welcome pack and walkthrough, we make sure everything feels clear, considered and ready for you.

Every home is carefully inspected before you move in. If anything needs attention, we'll handle it—promptly, with a straightforward process and someone real to talk to.

You're covered too. We take responsibility for any defects in workmanship or materials for the first two years, with NHBC structural protection through to year ten. Appliance warranties are also included.

Because we don't just build homes—we take pride in them. And we look after the people who live in them.

**For Hagan, it's personal.**
