WHY CHOOSE SIMPSON?

Because we know what matters to you.

We are committed to creating quality homes where you love to live, work and relax - homes that are light-filled, adaptable, stylish and finished to the highest standards. Our experienced team have hand picked award winning architects, established suppliers and expert tradespeople to deliver over 1000 homes to you over the last 30 years.

You Get More For Your Money!

A Simpson home starts at a higher spec than most older houses, so you get more from day one. We listen to what buyers actually want and include loads of useful features as standard.

Go Wild Or Go Beige!

Your new Simpson home is fresh, bright and untouched. Whether it is customising the layout to suit your needs or changing the specification we encourage you to add your own style and personality from day one!

Everything's Gone Green!

All of our new homes are built to the very latest environmental standards which makes them kinder on the planet but also kinder on the pocket.

Contentment, Covered!

Every Simpson home comes with a 10-year structural warranty and dedicated customer care. With our high build standards throughout, you can settle in knowing your new home is solid, safe, and stress-free.

SUSTAINABLE BUILDING BROCHURE

STEP BY STEP GUIDE

Spoilt For Choice

We design a wide range of homes to suit different tastes, needs, and budgets. Whether you're upsizing, downsizing, or starting out, there's something in our developments for everyone.

A Helping Hand

Some of our new homes may be eligible for alternative purchase options, helping buyers explore ways to afford their dream home without being overstretched.

Built To Last

Your Simpson home meets strict Building Control standards and uses quality materials throughout. That means fewer repairs, less hassle, and more time simply enjoying your new place.

Creating Communities

With a new build home comes a new community: with new residents, more open to building new relationships and links with their neighbours, form social support, and look after those (amazon) deliveries until you get home.

No Chain No Stress!

Buying new means fewer headaches. With no chain to worry about, the process runs smoother and you stay in control—leaving you to focus on the fun part: moving in and making it yours.

By choosing to buy from us, you're starting off on the right foot, and we will be there with you every step of the way.

ENJOY A LIFESTYLE WITH A BREATH OF FRESH AIR

Castlegate is an eye catching collection of modern, 'A' Rated Energy Efficient, sustainable 3 & 4 bedroom homes

These energy efficient new homes are ideally situated just off Jubilee Road, within a short walk of open countryside and 1.2 miles from the town centre.

You'll find everything you need within a 1.5 mile radius - shops, restaurants, schools, nurseries and sports clubs, making it an ideal place for everyone particularly growing families.

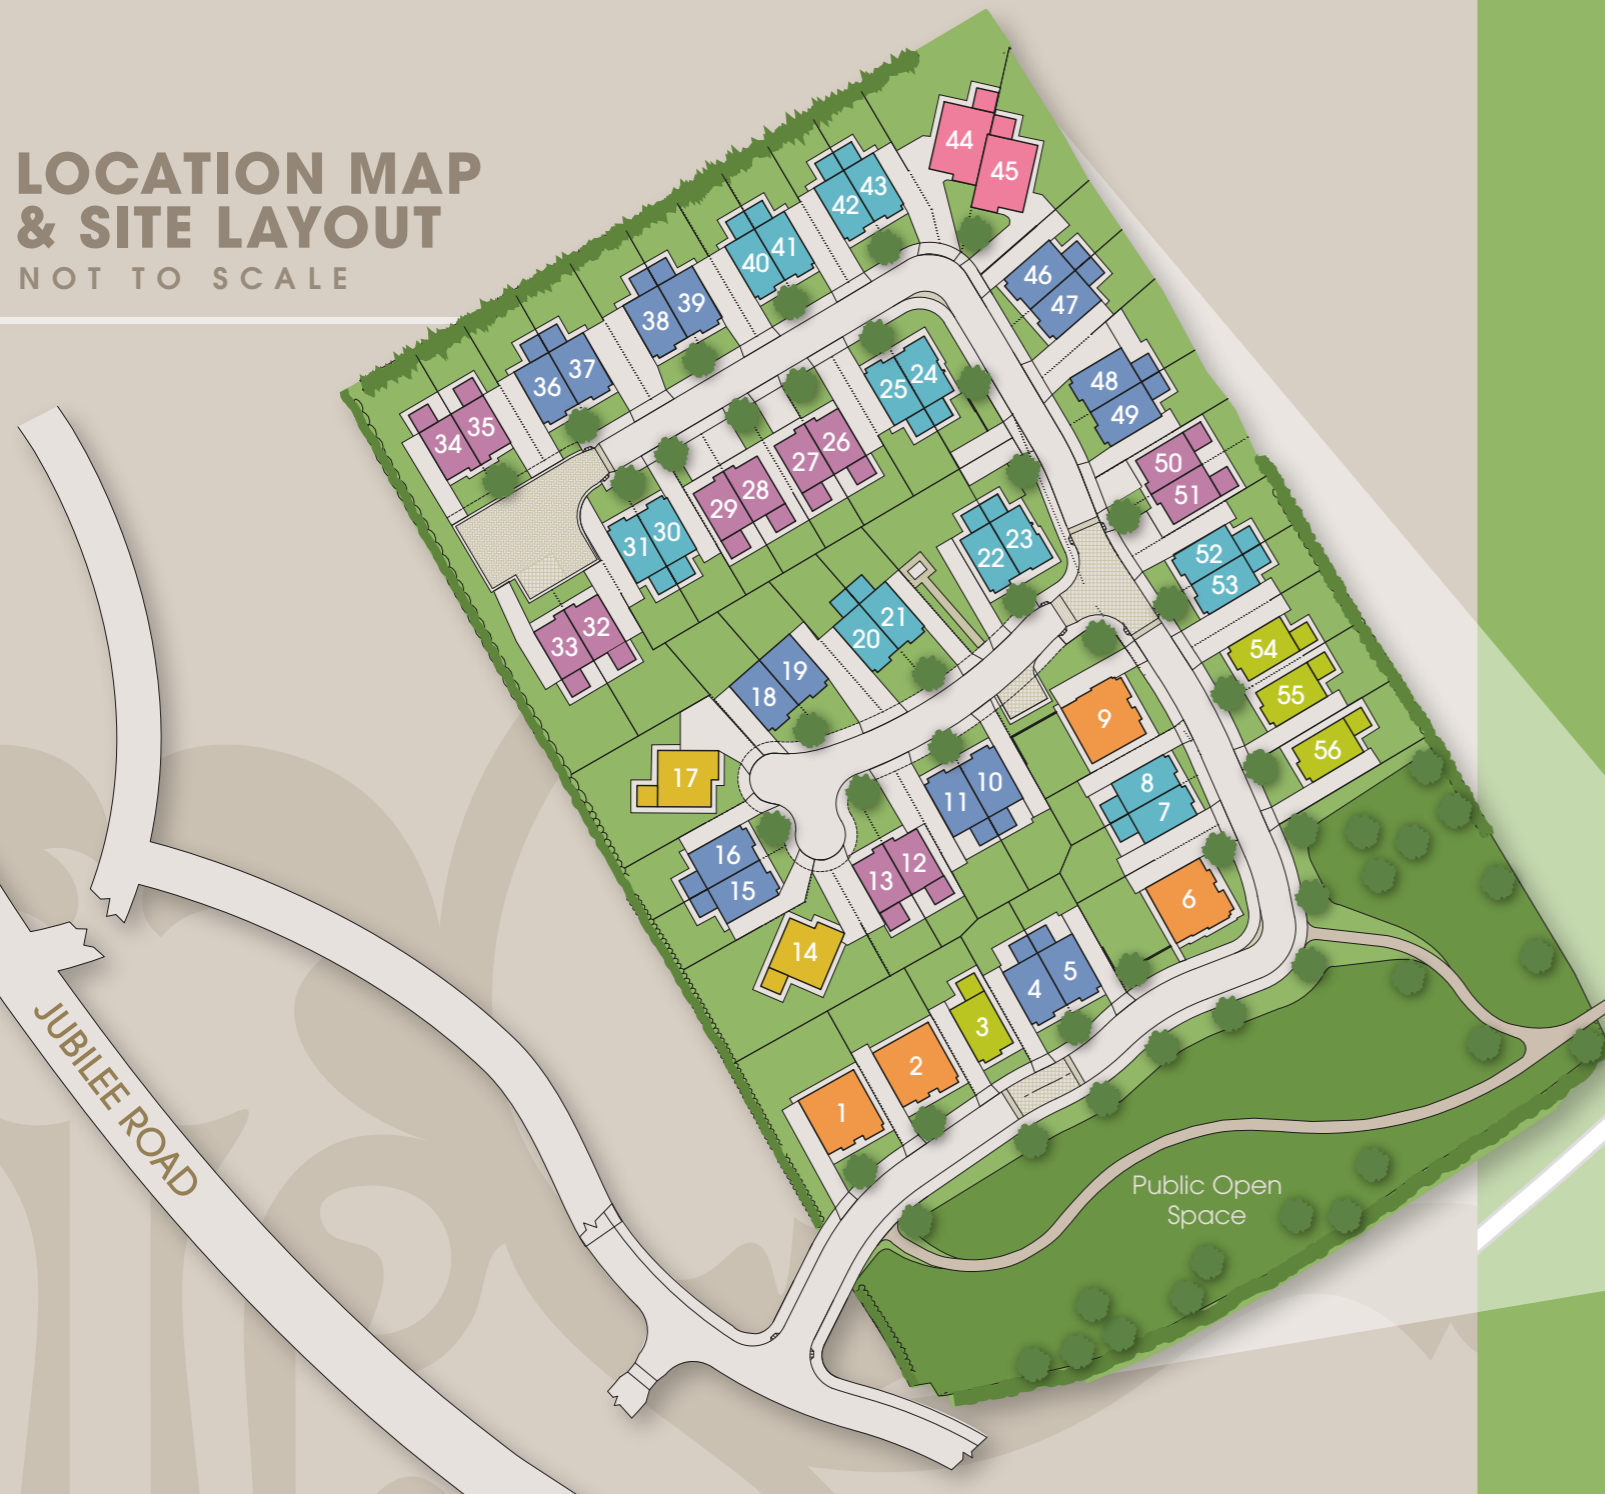

The excellent transport links from Ballymartin Park and Ride make connections to Belfast feel closer than ever.

Become a part of this blossoming area with open green spaces and enjoy a strong community spirit.

BUILDING DIFFERENTLY TO MAKE A DIFFERENCE

Our new homes at Castlegate pioneer sustainable living - protecting the planet and saving you money

SMART HEATING

Warmth made simple. Every home includes a digital thermostat you can control from your phone, wherever you are. Set schedules, adjust temperatures on the go, and enjoy a cosy home waiting for you — even if you forgot to switch things off.

SMART SECURITY

Keeping an eye on things shouldn't be complicated. Your home comes with a video doorbell that sends alerts straight to your phone or tablet. Adjust motion settings, see who's visiting, and chat to them instantly — no matter where you are.

SMART ALARM

Want extra peace of mind? Our optional smart alarm system lets you know your home is secure when you're not there. Easy to use, quick to set up, and reassuring when you're away — it's security made simple.

PV SOLAR ROOF PANELS

Every home comes with solar panels as standard, helping you create your own clean energy. Cut down on electricity bills, shrink your carbon footprint, and enjoy a more efficient home — all built in from the moment you move in.

BATTERY STORAGE

Go even further with optional battery storage. Store extra solar power during the day and use it when you need it most. Reduce your reliance on the grid, lower your bills, and enjoy a smarter, greener home that works around you.

ELECTRIC VEHICLE CHARGING

We can install an EV charging point at your home as an optional extra. Charge your car overnight — a simple, convenient way to cut emissions and make day-to-day driving that bit easier. No more early morning runs to the petrol station.

Traditionally constructed homes using sustainable materials for a more thoughtful way to live.
