Experience modern luxury in this stunning 5,000 sq ft contemporary detached home, built in 2019. Featuring sleek architectural design by McGarry Moon Architects.

Carnaghliiss House offers expansive open-concept living spaces, and floor-to-ceiling windows that flood the home with natural light. High end finishes, gourmet kitchen and spa like sanitary ware offer unparalleled comfort, while smart home technology enhances convenience. Perfectly blending style and function, this home is a masterpiece of modern living.

The accommodation is spread across three floors, providing impressive and adaptable space throughout. It is impossible to find a section of the house without a spectacular outlook and the ground floor area does not disappoint with its contemporary and sleek kitchen, along with the open plan living areas. On the upper level is a spectacular entertaining area which provides access to the generous wrap around balcony with unrivalled views across the countryside. There are also three bedrooms on this floor, principal with ensuite shower room and a separate family bathroom.

To one end of the home, the previously integral garage has been adapted to create wonderful separate living accommodation which boasts a lounge, modern kitchen, shower room and bedroom with walk in dressing area.

The basement area of the home has dual access points and provides superb additional living accommodation with a further two bedrooms, as well as the option to utilise it for business purposes.

Externally there is a wealth of space, with the site extending to around 0.4 acres. Accessed via a private laneway, a pillared entrance leads to tarmac drive for ample parking, immaculate gardens laid in lawns surround the property, as well as paved patio areas enhanced with exterior lighting making this home a spectacle day or night.

This is one home not to be missed.
