Boasting three bedrooms, this property exudes a bright and homely ambiance, creating a peaceful sanctuary for its owners. The well-maintained interiors are a testament the current vendor, providing a stylish living space that is both inviting and functional. With amazing countryside views looking out over Great Torrington commons and parking for three cars, you may regret not coming to see this sooner.

Upon entering the property you notice the presentation put into the property has been beautifully looked after by the current owner. Very quickly you are drawn into the view staring you in the face through the large sliding doors featuring in the living room. Before we get into there, let's focus on the improvements in the cloakroom. Here has been utilised to home the washing machine and tumble dryer allowing for extra space in the kitchen. The additional unit in here provides for a useful extra bit of storage space. The kitchen indulges plenty of worktop and cupboard space and now allows room for that all important dishwasher. The rest of the kitchen includes a built in gas hob and oven, one and a half bowl sink, space for a fridge/freezer and area for a dining room table. Heading back to the living room which is positioned to the rear of the home and as I mentioned earlier has the protected view of the some 365 acre commons and the far reaching surrounding countryside which encapsulates you. A great place to sit and relax or host family and friends.
