

26 Wyndell Park , Newtownards, BT23 7UX

26 Wyndell Park incorporates most, if not all, the desires of a good family home. Built in 2019, it enjoys the benefits of a new build that is walk in ready but with the added touches of a thoughtful owner.

This family home offers 4 well proportioned bedrooms (master with luxury en-suite), including a practical 4th that would make an ideal home office, nursery or study. It benefits from a lovely family bathroom plus separate ground floor WC. The focal point of the home is the beautifully modern kitchen with its central island, separate utility area and double glazed patio doors to the rear garden whilst, to the front of the property, is a stylish and welcoming lounge with attractive bay window looking out onto the cul de sac and common green area.

Externally there are gardens in lawns to both front and rear with a tarmac driveway and wooden garage/workshop plus a brick paved patio, raised deck area and countryside aspect to the rear. As you'd expect with a modern home, it benefits from thermally efficient double glazed windows and doors, uPVC fascia and Phoenix gas central heating. It is located just on the edge of Newtownards town and within easy reach of Bangor and beyond.

Internal viewing is highly recommended.
