Bideford is a peaceful olde worlde market town on the River Torridge. The main district is on the west bank and its narrow streets filled with white painted houses sprawl from the working quay, up the slopes to the outer suburbs. A former historic port town, Bideford is a great place to explore, whether it's a trip to the shops or a restaurant outing there's something for everyone. The Pannier Market is a brilliant example of the town's originality, with its terrace of artists' workshops and independent shops. The town also champions sports at a grassroots level with both the local rugby and football teams having healthy followings. There are no end of ways to join in the community spirit of this wonderful white town on the hill.

Beautifully presented and thoughtfully extended, this impressive 3 Bedroom terraced home offers spacious and versatile accommodation that is ideal for modern family living. From the moment you step into the welcoming porch, created as part of the extension and providing practical storage space, you'll notice the care and attention the current owners have poured into every corner of the property.

The standout feature of the Ground Floor is the expansive Lounge, beautifully enhanced by a large UVC double glazed window to the front that fills the room with natural light. A contemporary log-effect remote control gas fire sits stylishly within the chimney breast, creating a cosy focal point, while handy understairs storage adds practicality. The well-designed Kitchen / Diner at the rear of the property offers a perfect space for family meals and entertaining. It's fitted with a range of white base and eye level cabinets, a built-in 4-ring gas hob with extractor, and a double electric oven. There's space and plumbing for both a washing machine and a dishwasher, along with ample room for a dining table. Two large cupboards provide valuable storage, one providing space for a fridge and the other housing the gas fired boiler.

Upstairs, the accommodation continues to impress. The Main Bedroom is generously proportioned and enjoys peaceful countryside views, along with built-in shelving for added convenience. The second Bedroom is a good sized double overlooking the driveway, while the third Bedroom, a cosy single, makes for an ideal home office or nursery and includes useful bulkhead storage. A contemporary Family Bathroom serves all three bedrooms, featuring a bath with a mains shower over, a cabinet mounted wash hand basin, a WC and stylish downlighting.

Outside, the low-maintenance west-facing garden is a real sun trap, fully paved and enclosed - perfect for outdoor dining and relaxing. It also benefits from useful storage sheds and a shared passage providing access to the front of the house. One of the home's most attractive features is the driveway parking for 2 cars - a rare and convenient advantage in this type of property.

Ideal for families or first time buyers alike, this superb home offers comfort, space and practicality in equal measure. Early viewing is highly recommended.
