DESCRIPTION

REA Eoin Dillon is delighted to present this two-bedroom cottage, ideally located on the main street in Templemore town centre. Just a short stroll from local amenities and the town's beautiful park, which features a tranquil lake perfect for relaxation and enjoying nature.

This charming cottage, originally built in the 1900s, is in need of modernisation and refurbishment but offers immense potential for the right buyer. Upon entering, you are welcomed by an entrance hallway. To the right, the living room showcases the cottages original character with thick stone walls, natural light pouring in through two windows, and a solid fuel fireplace. To the left of the hallway is the dining room, featuring laminate timber flooring and another solid fuel fireplace. At the rear of the property is the kitchen, alongside a guest bathroom with W.C. and W.H.B. The first floor accommodates two bedrooms and a main family bathroom, both requiring modernisation.

An attached garage presents an opportunity to further develop the property, either for additional living space or as a functional storage area.

Externally, the property is accessed via a shared lane way, marked by two stone pillars. The private rear garden, surrounded by high walls, offers seclusion and a mature lawn, ideal for those seeking peace and privacy in the heart of the town.

This property, while in need of attention, is a fantastic opportunity for someone looking to create a truly unique home. With refurbishment and some TLC, this cottage could become a stunning, modern family residence in a quiet, private location, just steps away from all the conveniences of town living.
