The Owner's Perspective...

"I've completely fallen in love with Helen's Bay during my time here. It's hard for anyone not to. There are so many highlights about living right in the heart of the village, from the wonderful spa tucked away in the square to the weekly organic market down the end of a country lane. However, for me, it's being moments away from the secret little entrance to the country park where as you walk past the golf course and through the tall trees, you are greeted by the most breathtaking view of the beach below. I will never forget that view. Then, whether rain or shine, whatever time of day, I get to return to the most wonderful little beach cottage and watch the swimmers head down to the ocean and the dog walkers go by. All whilst sitting at my kitchen table. Life is great in Helen's Bay"
