Tucked away in the peaceful rural hamlet of Trelil, Post Office Cottage is a charming and deceptively spacious semi-detached home offering flexible living accommodation and plenty of potential to adapt the layout to suit a variety of needs.

Currently arranged as a one-bedroom property, the ground floor features a welcoming porch leading into a cosy reception room that flows through to the cottage's kitchen. Beyond this, there are two further reception rooms, either of which could easily be converted into additional bedrooms, a home office, hobby room, or dining space — offering excellent versatility for future owners. A sunroom to the rear provides a bright and relaxing space, with access from both the sunroom and the kitchen out to the property's well-proportioned rear garden.

Upstairs, the property offers a spacious double bedroom with an en suite WC, alongside a generous landing area. Currently furnished with wardrobes and other storage, this space would make an ideal dressing room, reading nook, or compact home office.

Externally, Post Office Cottage enjoys a lovely enclosed rear garden, perfect for those who enjoy outdoor living, and benefits from ample parking to the front for at least three vehicles. Set in a delightful countryside location, the property enjoys open rural views from the bedroom and offers a tranquil lifestyle while still being within easy reach of surrounding towns and amenities.

This is a fantastic opportunity for first-time buyers, downsizers, or anyone looking to embrace life in a sought-after rural setting with scope to put their own stamp on a character-filled cottage.
