Bideford is a peaceful olde worlde market town on the River Torridge. The main district is on the west bank and its narrow streets filled with white painted houses sprawl from the working quay, up the slopes to the outer suburbs. A former historic port town, Bideford is a great place to explore, whether it's a trip to the shops or a restaurant outing there's something for everyone. The Pannier Market is a brilliant example of the town's originality, with its terrace of artists' workshops and independent shops. The town also champions sports at a grassroots level with both the local rugby and football teams having healthy followings. There are no end of ways to join in the community spirit of this wonderful white town on the hill.

16 Cedar Way is a 2 Bedroom semi-detached bungalow offering generous living space and great potential for modernisation. The property is set back from the road and accessed via a pedestrian walkway linking Cedar Way and Willow Grove, creating a quiet, traffic-free frontage with a sense of privacy and green space.

You are welcomed into the property via an Entrance Porch, which leads into the main Hallway. Immediately to the left is a well-appointed Kitchen with ample fitted units and work surfaces, providing a functional space to update and personalise to your taste. Straight ahead lies the spacious Living Room, a bright and inviting area that enjoys a peaceful rear aspect and leads into a small glazed Rear Porch offering a handy transition space to the garden beyond.

The west-facing rear garden has been designed for easy maintenance, making it perfect for relaxed outdoor enjoyment. A gate to the side provides convenient external access, while a rear door leads directly into a Single Garage, accessible via a private lane at the rear of the property - a rare and valuable feature for a bungalow in this location.

Both Bedrooms are comfortable doubles, with the larger of the two positioned to the rear and the second looking out over the front garden. The Shower Room is currently carpeted and fitted with a walk-in shower cubicle, wash basin and WC.

Whilst the property would benefit from modernisation, it already has a number of practical upgrades in place, including modern electric storage heaters, UPVC double glazing and solar panels that are fully owned by the vendor. These features, alongside the excellent layout and convenient location, make 16 Cedar Way a fantastic opportunity for downsizers, retirees or investors looking to add value.

With strong bones and a great position, this bungalow presents the perfect blank canvas to create a long-term home tailored to your lifestyle. Early viewing is recommended to appreciate the full potential on offer.
