INTRODUCTION

Raymond Potterton & Co. are delighted to introduce Rathnally, Trim to the market, nestled within the scenic countryside of Rathnally on the main Trim-Navan Road.

Occupying a generous site of approximately 0.6 acres, the property enjoys dual gated access, both vehicular and pedestrian, directly from the main Trim Navan road, providing ease of entry. A beautifully aged stone boundary wall defines the frontage, creating a striking first impression and setting the tone for the charming period character found throughout.

The cottage itself is presented in good condition throughout although in need of modernisation. The lounge features a beautiful stone-cut feature wall and fireplace with a Waterford Erin solid fuel stove as its centrepiece, entered through Dutch doors from the front of the property.

To the right-hand side of the cottage, a substantial portion of the site remains open and holds excellent potential for further construction, subject to the necessary planning permissions.

Situated on the main Trim-Navan Road, this cottage combines peaceful country living with easy access to nearby towns. Just 3km from Trim and 7km from Navan, Rathnally is a perfect option for those who desire a quiet lifestyle while staying close to shops, schools, and local amenities.
