Bideford is a peaceful olde worlde market town on the River Torridge. The main district is on the west bank and its narrow streets filled with white painted houses sprawl from the working quay, up the slopes to the outer suburbs. A former historic port town, Bideford is a great place to explore, whether it's a trip to the shops or a restaurant outing there's something for everyone. The Pannier Market is a brilliant example of the town's originality, with its terrace of artists' workshops and independent shops. The town also champions sports at a grassroots level with both the local rugby and football teams having healthy followings. There are no end of ways to join in the community spirit of this wonderful white town on the hill.
