VIEW OF SITE BETWEEN DWELLINGS 195 & 197 MILLISLE ROAD, DONAGHADEE

EXISTING DWELLING TO THE REAR No. 2A BALLYVESTER ROAD

VIEW FROM THE SITE

1. The site is presently occupied by a pair of large two storey semi-detached dwellings located back towards the western boundary on the highest part of the site. The site levels rise up gradually from Millisle Road towards the western boundary.
2. A single storey bungalow 2a is attached to the rear along the western boundary and is accessed directly off Ballyvester Road.
3. The access to No.195 is directly off Millisle Road.
4. The existing dwelling No.195 has a substantial garden frontage to Millisle Road.
5. The existing dwellings No.195 sit well behind the building line that is established by adjacent properties along Millisle Road.

6. The proposed site identified for the proposed infill dwelling.
7. It is proposed to use the existing access location for No.195 taken directly off Millisle Road which also provides good sight visibility in both directions. It is also proposed to provide a turning head at the entrance.
8. It is proposed that the driveway to the new dwelling will be taken off the driveway to No.195.

9. The proposed infill dwelling will be forward on the site to allow for rear private amenity.
10. The proposed infill dwelling will be brought forward as far as the building line along Millisle Road.
11. The parking area to the front of No.95 will be increased.

CONCEPT STATEMENT

DESIGN CONCEPT

This Concept Statement relates to a proposal for a full planning application for an infill dwelling in a small gap site between No. 195 & 197 Millisle Road, Donaghadee. The proposal will be assessed under the criteria set out in both regional and local planning policy including RDS, PPS 7, PPS 21, Creating Places and Ards & North Down Area Plan 2015.

The approach when considering the appropriate dwelling for this site was to create a forward looking family home that whilst being respectful to the location, offers architectural merit and fulfils the desires, aspirations and lifestyle of a modern family. The proposed dwelling will respond to the site parameters and present an inspirational dwelling of highest quality in terms of design and materials.

The proposed dwelling will be one that adopts the spirit of a traditional two storey house in a contemporary form.

LOCATION

The proposed site is located at 195 Millisle Rd, just outside the development limit of Donaghadee.

EXISTING CONDITIONS

The site is presently occupied by a large 2 storey semi-detached dwelling fronting Millisle Road and a single storey dwelling 2a, to the rear fronting Ballyvester Road. The existing semi-detached dwelling is located at the highest part of the site towards the western boundary. The dwelling is a hipped roof form with 2 storey gable ended bay to the front. Walls are painted, roughcast rendered and slate roof finish and windows are white upvc frames.

SITING

The proposed infill dwelling will be orientated to front onto Millisle Road behind the building line.

BUILDINGS

The proposed dwelling will be two storey in the form of a traditional dwelling but in a contemporary form. The design is complimented and enhanced by specific detailing and materials.

MOVEMENT & PARKING

Vehicular access to the site is via the existing access location for No.195 taken directly off Millisle Road. Adequate car parking is provided for 2 cars within the proposed driveway.

EFFECT ON ADJOINING LAND USE

The proposed dwelling will not create adverse effects on existing adjacent properties in terms of overlooking, loss of light, overshadowing, noise or other disturbances. The proposed hedge and tree planting respects the character of the context. Soft landscaped areas will enhance the quality and contribute to the distinctiveness of the proposed site and dwelling.

PLANNING POLICY

The development is considered to be in compliance with both regional and local planning policy including RDS, PPS 7, PPS 21, Creating Places and Ards & North Down Area Plan 2015. The proposal aligns with the regional aims and objectives in both RDS and the SPP5.

EXISTING PLOT WIDTHS TAKEN ACROSS 20 PLOTS IN THE CONTEXT

TOTAL PLOT WIDTHS - 197.50m
AVERAGE WIDTH - 197.50 / 20 = 9.875m
PROPOSED PLOT WIDTHS SHOWN = 9.30m

- 8** Indigenous feature tree planting will enhance the setting and create an attractive elevation. Small indigenous hedge planting will define areas and soften the development.

The proposed dwelling will be two storey, in the form of a traditional dwelling in a contemporary form, the design is complemented and enhanced by specific detailing and materials.
