The house features a lovely garden, ideal for enjoying outdoor moments while benefitting from a garage and off street parking for multiple cars. With its charming facade and welcoming interiors, this property is perfect for small families, couples, or individuals seeking a peaceful and inviting home.

You enter the property via an internal porch, the second door is a beautiful wooden door that you will see throughout with traditional latch handles. Stepping into a contemporary yet characterful living room, the exposed timbers compliment the room along with the oak features that the current vendor has added. A step up to the dining area creates a subtle divide between the two spaces that then leads to the kitchen and bathroom to the rear, both of which have been modernized in the vendor's tenure. The spacious kitchen provides ample worktop and cupboard space as well as access to the courtyard garden to the side and the main garden to the rear. The updated bathroom provides a modern bath, toilet and wash basin.

Moving upstairs, the landing leads into both bedrooms, the master of which boasts a new set of built in wardrobes. The landing provides access to another staircase giving access to the attic room which has power and heating connected.

Outside to the rear is an enclosed garden separated almost into three sections. The initial steps lead to a brick patio providing a perfect space for your outdoor furniture and a spot to host family and friends. The middle section is mostly artificial grass while the third section is raised and decked. This gives access into the current owner's utility room. The garage is now sectioned off providing this utility while the main garage is still a respectable 17 feet in length. Beyond this is a driveway offering off road parking for 2/3 cars.

The home is located within the heart of the town and is just a short walk away from schools and all the amenities Great Torrington has to offer. A bustling and pretty little town, Torrington offers everything from a local butchers, green grocers, bakery, supermarket, take away's, The Plough Arts Centre, the Pannier Market and the some 365 acres of countryside allowing for miles of scenic walks with access to the locally renowned Tarka trail, a 180 mile footpath / cycle way - mainly built on the bed of the disused Tarka line where the gradients are gentle. It winds its way following the course of the river Torridge as far North as Ilfracombe or going inland South towards Meeth.
