## Changing Lifestyles

Outside and into the rear garden, there is an initial courtyard that does then lead you to the garden and stone shed outbuilding. The outbuilding benefits from electricity running to it allowing you to create a small workshop and outside storage space. The main garden itself is south facing allowing you to sit and enjoy the best of the Devon sun. Half the garden is laid to lawn with the rest being wooden decking.

The home is just a stone's throw away from the beautiful Torrington commons and valley with the river Torridge sat below. The some 365 acres of countryside allows for miles of scenic walks with access to the locally renowned Tarka trail, a 180 mile footpath / cycle way - mainly built on the bed of the disused Tarka line where the gradients are gentle. It winds its way following the course of the river Torridge as far North as Ilfracombe or going inland South towards Meeth. You are only a few minutes' walk from being right in the town square where you will find all that Torrington has to offer. A local butchers, green grocers, bakery, supermarket, take away's, The Plough Arts Centre and of course the Pannier Market.
