DESCRIPTION

Grimes are delighted to bring Iona, South Strand to the market. This property offers purchasers an exciting opportunity to purchase a mid renovation home. A mid renovation home like this allows you to put your personal stamp on layout, interiors and finishes without having to go through the initial stages. The property has been stripped back and first fix (for the majority) has been completed. Proposed layout includes open plan kitchen/dining/living space, 4 bedrooms, 2 bathrooms and 2 further reception rooms. To the front of the property there is extensive garden space again offering scope to design a beautiful outdoor area and to incorporate off street parking. The granted planning permission also includes an impressive 18.3sqm first floor terrace to the front of the existing dwelling.

Skerries South Strand is located on the waters edge so the purchaser will wake up to sea views every morning. The South Strand is a peaceful location yet just a short stroll to the bustling Harbour, artisan cafes, seafood restaurants, pubs and boutique shops.

Skerries offers the perfect balance of community and convenience with a host of clubs and sports facilities within a short stroll. Ideally located on the train and bus line, Skerries offers commuters easy access to the city centre, Dublin Airport and the M1/M50 are just a short drive away.
