This versatile layout offers an excellent opportunity for those seeking an investment project or the chance to create a large family home.

The ground floor features a self-contained flat with its own private kitchen and bathroom, ideal for independent living. On the first floor is the most spacious flat—studio-style in layout—with its own kitchen and access to a separate bathroom on the same floor.

The third floor provides two separate rooms with a shared kitchen and bathroom, while the top floor comprises a further bedroom with an en suite shower room.

The property does require modernisation throughout but offers huge potential. Whether you choose to update and continue letting as individual flats, or reconfigure the space to suit your needs, this is a rare opportunity to add value in a central Bodmin location.

Externally, the property also benefits from a private rear garden, offering further scope to enhance the space. A true blank canvas with plenty of possibilities—early viewing is highly recommended.
