A once in a lifetime opportunity to purchase a spacious detached bungalow on a site of approx. 0.8 acres with beautifully landscaped gardens, a detached workshop and separate garage. The property extends to approx. 2,200 sq.ft. and was built with restricted mobility in mind. It currently offers 3 bedrooms, including a huge master suite with walk thru dressing room and en-suite. Reception space comprises a large lounge to the front, with feature fireplace, an equally large sun room to the rear, with multi fuel stove, and a versatile room between which would be ideal as a dining room. The kitchen is to a modern taste with gloss doors and wood block effect worktops and also benefits from an adjoining utility room. A family bathroom with "whirlpool" bath, and double shower enclosure completes the internal specification.

Externally the journey continues with a large workshop plus additional double garage, perfect for the self employed trades person perhaps, and those amazing grounds which have been beautifully tended and enhanced with pond, summer house, barbecue hut and many other beautiful features all complimented by the sweeping driveway, paved patio and concrete parking area. Additionally the property benefits from uPVC double glazing & fascia, oil fired heating, solar energy system and oak internal doors.
