

## 65 Strangford Heights , Newtownards, BT23 8ND

"This is the type of property that keeps me awake at night - for all the right reasons! The possibilities are only limited by your imagination (and budget) but the property is priced to allow for renovation and upgrading".

Set on an elevated site with lovely views across Ards town towards Scrabo Tower and Strangford Lough, the property is a detached split level property that has been in the same family ownership from new. It has been loved and cared for but will now require full renovation to meet modern homeowners tastes.

At entrance level is a spacious lounge and WC whilst moving up a half flight of stairs you'll find a spacious kitchen with dining area and separate utility room, with access to the rear garden. Up another half flight of stairs and you'll find 4 bedrooms and a bathroom. Bedroom 4 has a corner shower cubicle but, if 3 bedrooms are enough, I'd knock through to bedroom 1 and create a larger master with full en-suite. Back at ground level is an integral garage with gardens to front, side and rear and tarmac driveway.

Come with an open mind and perhaps a notebook because this could be your next ideal home.
