Located in a sought-after town of Great Torrington, this period semi-detached home offers a perfect blend of comfort and convenience. Boasting three well-appointed bedrooms, this property exudes a cosy atmosphere ideal for family living. The spacious living area as well as kitchen/diner is perfect for entertaining guests or enjoying quality time with loved ones. The property features a lovely patio area, perfect for al fresco dining or simply unwinding after a long day. With the property benefitting from the garage, there is the potential to having a space to park your car.

Upon entering the home there is an initial porch before heading into the entrance hall, its often said to me how important these are to lots of people for many reasons but more specifically to have peace of mind that pets can't go running out. The living room is positioned to the front of the home with a log burning stove creating a cosy and warm atmosphere for the whole family. The kitchen/diner to the rear feels open plan yet could also be separate if you add a set of double doors should you prefer. The opening between the two rooms allows natural light to flow through. The kitchen provides plenty of cabinet and worktop space while enjoying even more natural light from the skylight. To finish of the positives of downstairs, the home features the all-important W/C. Upstairs comprises of three bedrooms, two doubles and a generous single along with the family bathroom.

The rear courtyard provides an outside space to sit and relax while enjoying the Devon air. The space is private and with a little greenery could become your own little haven. The garage stretches over 30 feet in length and 7 feet in width before opening up in width to the rear providing a wonderful workshop for those who need it.

The home is located in the heart of town and is just a short walk away from all the amenities Great Torrington has to offer. A bustling and pretty little town, Torrington offers everything from a local butchers, green grocers, bakery, supermarket, take away's, the Pannier Market and the some 365 acres of countryside allowing for miles of scenic walks with access to the locally renowned Tarka trail, a 180 mile footpath / cycle way - mainly built on the bed of the disused Tarka line where the gradients are gentle. It winds its way following the course of the river Torridge as far North as Ilfracombe or going inland South towards Meeth.
