The tiled flooring and UPVC double glazed window overlooking the garden complete this superbly appointed space, with a matching rear door leading outside for easy access.

There are 2 generous double Bedrooms, one featuring an En-suite Shower Room, while a stylish main Bathroom provides both bath and shower options, each finished to a high specification with contemporary fittings.

Outside, the property continues to impress with a well-proportioned, enclosed garden laid mainly to lawn and patio (where there is a double outside plug socket), complemented by a large summerhouse with power connected - perfect for a home office, creative studio or workshop. To the side is a gated access leading to the driveway, which offers parking for 2-3 cars and access to the good size Garage with an electric door and power connected. There is an attractive outlook to the front of the property over countryside.
