53 Clifton Street is a well-proportioned 2 Bedroom mid-terrace home conveniently positioned within easy reach of Bideford Town Centre and benefiting from on-street parking directly outside. Arranged over 2 floors with additional lower ground storage, the property offers comfortable living space that will appeal to first time buyers, investors or those seeking a centrally located home.

The front door opens into an open-plan reception area that combines both living and dining spaces. To the front, the Living Room enjoys a large bay window which allows plenty of natural light to fill the room, creating a welcoming and comfortable space for everyday living. The Dining Room sits neatly to the rear, providing ample room for a family table and chairs while remaining well-connected to the rest of the ground floor.

Leading on from the Dining Room is a generously sized and well-equipped Kitchen, fitted with a range of matching units and work surfaces, offering good storage and preparation space. From here, steps lead down to the rear garden, making it practical for everyday use and entertaining. The garden, itself, is low-maintenance with artificial grass.

A particularly useful feature of the property is the additional lower ground room located beneath the Kitchen. Originally housing an external toilet, this space is now utilised as a large utility and storage room, providing excellent flexibility and far more space than typically found in properties of this style.

Upstairs, the first floor comprises 2 Bedrooms and a spacious Bathroom. The main bedroom is notably large and offers plenty of room for bedroom furniture, while the second bedroom is a comfortable double or generous single. The bathroom is well-sized and fitted with both a bath and a separate shower, catering well to modern family needs.

With its practical layout, additional storage options and convenient location, 53 Clifton Street represents a solid and versatile home close to local amenities, schools and transport links, making it a sensible choice for a wide range of buyers.
