Changing Lifestyles

Set within a popular modern development on the outskirts of Bideford, this well-presented first floor 2 Bedroom apartment offers comfortable and practical living with the benefit of a private balcony and allocated parking.

The apartment is accessed via a communal entrance with a secure telephone entry system, leading into a welcoming and generously sized hallway. This space immediately sets the tone for the property, offering 2 useful storage cupboards that are ideal for coats, household items and general day-to-day practicality. The heart of the home is the open-plan living area which provides a bright and sociable space to relax, dine and entertain. Large patio doors allow natural light to flood in and open directly onto the decked balcony, creating a pleasant extension of the living space and a great spot to enjoy some fresh air. The adjoining kitchen is neatly arranged and fitted with a range of modern units complemented by contrasting worktops. There is a built-in oven with gas hob and extractor, along with space for further appliances including a washing machine and upright fridge/freezer. A cupboard discreetly houses the boiler serving the hot water and central heating. Both bedrooms are well proportioned and positioned to the rear of the property, offering a quieter aspect. The main bedroom comfortably accommodates a double bed and bedroom furniture, while the second bedroom works equally well as a guest room, child's room or home office. The bathroom is fitted with a clean, modern 3-piece suite comprising a bath with shower over, wash basin and WC.

Externally, the property benefits from an allocated parking space to the rear of the building. Watkins Way is conveniently located approximately 1 mile from Bideford Town Centre and Quay, with excellent access to local amenities. The coastal villages of Appledore and Westward Ho! are both within easy reach, as is Barnstaple, making this an ideal choice for first time buyers, investors or those seeking a low-maintenance home in a well-connected location.
