This is an incredibly rare opportunity to purchase what is undoubtedly one of the best presented properties in Antrim town, situated just off the Castle Road on the outskirts of the town and benefitting from outstanding views over surrounding countryside, Allen Park golf course and the beautiful, mature trees of Shanes Castle Estate. Situated within a private cul-de-sac of just four properties and approached via a tarmac laneway with electrically operated gates, the property occupies an enviable position with a low maintenance garden offering superb privacy.

Extending to approximately 2,302 sq. ft. to include the garage, the property boasts 5 double bedrooms (master with ensuite), luxury family bathroom, 2 reception rooms and a substantial kitchen with informal dining area and separate utility with ground floor W/C. Finished to an exceptionally high standard throughout, the current owners attention to detail is not just obvious from the approach to the property, but is especially evident from the interior style and decor that makes this a superb family home, the detail of which can only be appreciated on full internal viewing.

Early viewing strongly recommended.
