A turnkey village home where space, style and community come together. Stonewell House is a comprehensively upgraded four bedroom semi detached property, offering modern open plan living, a converted dining room and a private rear garden, all set within the highly sought after Devonshire village of Northlew.

Located just moments from the village centre, Northlew is highly regarded for its strong community atmosphere, village primary school and the well known Green Dragon public house. The surrounding countryside offers excellent walking routes and rural pursuits, making this an ideal setting for both families and lifestyle buyers.

Approached from the front, the property features a neatly arranged paved driveway providing off road parking for multiple vehicles, along with convenient side access leading to the rear and enclosed garden. The frontage is low maintenance and enhanced with a selection of mature potted plants. Inside, Stonewell House has been upgraded throughout to a high standard. The entrance hall is warm and welcoming, with underfloor heating noticeable underfoot, and an open layout that flows directly into the main living areas. The spacious living room enjoys generous proportions and connects seamlessly to the kitchen and dining spaces, creating a practical and sociable layout. The kitchen has been finished in a sleek, modern style, with integrated appliances and tasteful LED downlighting. Patio doors open directly onto the rear garden and decked seating area, extending the sense of indoor to outdoor living. A utility room and cloakroom complete the ground floor.

The former single garage has been converted into a dedicated dining room, providing a versatile space ideal for entertaining or family life. With excellent natural light and direct connection to the rest of the ground floor, it is both practical and welcoming.

Upstairs, there are four well proportioned double bedrooms presented in a contemporary style. The principal bedroom benefits from a modern en suite shower room, while the remaining bedrooms are served by a spacious family bathroom with both bath and separate shower facilities.

To the rear, the enclosed garden is predominantly laid to lawn, recently improved with fresh topsoil, and includes a decked seating area ideal for outdoor dining.

Changing Lifestyles

This charming and unspoilt village is centred around its traditional square which benefits from a popular Inn, primary school, and even a bus service to Bideford and nearby market town of Okehampton.

The village itself lies amidst the foothills of Devonshire countryside, with convenient access to neighbouring towns of Holsworthy/Hatherleigh/Okehampton and the A30 dual carriageway.

Between them these offer an excellent range of local and national shops, professional services, leisure amenities, and schools. From Okehampton Town, the A30 provides dual carriageway access to the Cathedral and University City of Exeter with its motorway and intercity rail links.
