OUTLINE PLANNING PERMISSION

Planning Act (Northern Ireland) 2011

Application No: **LA03/2024/0171/O**

Date of

Application: **8 March 2024**

Site of Proposed Development: **Between 180 and 182 Ballycorr Road, Ballyclare**

Description of Proposal: **Site for infill dwelling and garage**

Applicant: **Ivan McClean**
Address: **64 Old Portglenone Road
Ahoghill
BT42 1LQ**

Drawing Ref: **01**

The Council in pursuance of its powers under the above-mentioned Act hereby

GRANTS OUTLINE PLANNING PERMISSION

for the above mentioned development in accordance with your application subject to compliance with the following conditions which are imposed for the reasons stated:

1. Application for approval of the reserved matters shall be made to the Council within 3 years of the date on which this permission is granted and the development, hereby permitted, shall be begun by whichever is the later of the following dates:-
 - i. the expiration of 5 years from the date of this permission; or
 - ii. the expiration of 2 years from the date of approval of the last of the reserved matters to be approved.

Reason: As required by Section 62 of the Planning Act (Northern Ireland) 2011.

2. Approval of the details of the siting, design and external appearance of the buildings, the means of access thereto and the landscaping of the site (hereinafter called "the reserved matters"), shall be obtained from the Council, in writing, before any development is commenced.

Reason: This is outline permission only and these matters have been reserved for the subsequent approval of the Council.

3. Full particulars, detailed plans and sections of the reserved matters required in Conditions 01 and 02 shall be submitted in writing to the Council and shall be carried out as approved.

Reason: To enable the Council to consider in detail the proposed development of the site.

4. A scale plan and accurate site survey at 1:500 (minimum) shall be submitted as part of the reserved matters application showing the access location to be constructed and other requirements in accordance with the attached RS1 form.

Reason: To ensure there is a satisfactory means of access in the interests of road safety and the convenience of road users.

5. No development shall take place until a plan indicating floor levels of the proposed dwelling in relation to existing and proposed ground levels has been submitted to and approved by the Council.

Reason: To ensure the dwelling integrates into the landform.

6. The proposed dwelling shall have a ridge height not exceeding 7 metres above finished floor level.

Reason: To ensure that the development is satisfactorily integrated into the landscape and with the adjacent residential dwellings.

7. At the reserved matters stage full details of all proposed tree and shrub planting and a programmed of works shall be submitted to and approved in writing with the Council. The works shall be carried out during the first available planting season after the occupation of any part of the development or in accordance with a programme to be submitted to and agreed in writing with the Council.

Reason: To ensure the provision, establishment and maintenance of a high standard of landscape.

8. If within a period of 5 years from the date of the planting of any tree, shrub or hedge, that tree, shrub or hedge is removed, uprooted or destroyed or dies, or becomes, in the opinion of the Council, seriously damaged or defective, another tree, shrub or hedge of the same species and size as that originally planted shall be planted at the same place, unless the Council gives its written consent to any variation.

Reason: To ensure the provision, establishment and maintenance of a high standard of landscape.

9. If any retained tree or hedgerow is removed, uprooted or destroyed or dies during the construction and upon completion of the development and for the lifetime of the development, it shall be replaced within the next planting season by another tree or trees in the same location of a species and size as specified by the Council.

Reason: To ensure the continuity of amenity afforded by existing trees and hedgerows.

Informatics

1. This permission grants planning consent only and other statutory approvals may be required.
2. This permission does not alter or extinguish or otherwise affect any existing or valid right of way crossing, impinging or otherwise pertaining to these lands.
3. This permission does not confer title. It is the responsibility of the developer to ensure that they control all the lands necessary to carry out the proposed development.
