Changing Lifestyles

Situated within the historic town of Stratton, just a short distance from Bude and the North Cornwall coastline, 14A New Road presents an excellent opportunity for buyers seeking a project property with scope to improve and add value.

The accommodation is arranged over two floors and currently offers a living room, kitchen/breakfast room and sunroom to the ground floor, with three bedrooms and a bathroom to the first floor. While the property now requires modernisation throughout, allowing purchasers to reconfigure or upgrade to suit their own requirements, subject to any necessary consents.

One of the standout features of the property is the generous plot. To the rear, the garden extends beyond the immediate courtyard area and continues to a second enclosed garden, accessed via a gate midway down the plot, offering excellent potential for landscaping, allotment use or further outdoor amenity space.

In addition, the property benefits from driveway parking, a valuable asset in this location, along with a number of outbuildings. While these structures are generally in poor repair, they may offer future potential for replacement or reconfiguration, subject to planning permissions being obtained.

Offered for sale with no onward chain, this is an ideal opportunity for builders, investors or owner-occupiers looking to undertake a renovation project in a convenient and well-connected location.

The market town of Stratton itself supports a useful range of local amenities including traditional shops, public house, modern hospital, garage and primary school etc. The adjoining popular coastal resort of Bude supports a further range of shopping, schooling and recreational facilities as well as lying amidst the rugged North Cornish coastline famed for its many nearby areas of outstanding natural beauty and popular bathing beaches. The bustling market town of Holsworthy is some 8 miles inland whilst the town of Okehampton lying on the fringes of Dartmoor National Park is some 28 miles and provides a convenient link to the A30 which connects in turn to the cathedral city of Exeter with its intercity railway network, airport and motorway links. The port and market town of Bideford is some 24 miles and the regional North Devon centre of Barnstaple is some 34 miles.
