**PRICE Offers Over
£144,950**

This is an incredibly rare opportunity to purchase a substantially updated mid terraced house in this what is regarded as one of the most sought after estates in Antrim close to the town centre with easy pedestrian access via Riverside. Occupying a prime position near the entrance to the estate this property has benefited from the removal of the wall between the original kitchen and living room to create a large open plane kitchen, living and dining area while still retaining the original dining room. The kitchen has been upgraded with the installation of modern white high gloss high and low level units together with integrated double oven, hob, fridge, freezer and dishwasher while the original fire has been replaced with an inset cast iron stove and PVC double glazed French doors have been installed opening onto the private low maintenance, fully enclosed and paved yard. With the additional benefit of a ground floor W/C, utility store plumbed for washing machine and modern first floor family bathroom with shower bath complete with electric shower over and feature glass bowl wash hand basin, this delightful property is likely to appeal to a wide range of potential purchasers.

Only on full internal viewing can one begin to appreciate the quality of this superb family home that is just as likely to appeal to first time buyers and investors alike.

Early viewing strongly recommended.
