Tucked away within a quiet close on Morton Drive in the ever-popular market town of Great Torrington, this beautifully presented four-bedroom detached home offers an enviable lifestyle setting, moments from open countryside yet within easy reach of everyday amenities. Perfectly positioned alongside Juries Lane, the property enjoys direct access to the breathtaking Torrington Commons — 365 acres of rolling grassland, ancient woodland and panoramic views. Whether it's morning dog walks, weekend family adventures or peaceful sunset strolls, this remarkable natural backdrop truly elevates day-to-day living.

From the moment you step inside, the spacious entrance hall sets the tone. Light-filled and welcoming, it immediately conveys the sense of space and comfort that continues throughout the home.

The impressive 19ft living room provides a superb main reception space, ideal for both relaxed evenings and entertaining guests. French doors open directly onto the rear garden, allowing natural light to pour in and seamlessly blending indoor and outdoor living during the warmer months. A separate dining room overlooks the surrounding greenery, creating a wonderful setting for family meals. The pleasant outlook adds a sense of calm and privacy, perfectly complementing the home's peaceful position.

The recently refitted kitchen has been thoughtfully designed to combine style and practicality. Sleek cabinetry integrates beautifully with built-in appliances, while a breakfast bar offers the perfect perch for morning coffee or casual dining. Overlooking the rear garden and benefitting from patio doors leading outside, this is a space that naturally becomes the heart of the home. Practicality continues with a generous utility room, ideal for housing white goods and keeping household essentials neatly tucked away. With internal access to the integral garage, it provides everyday convenience, particularly during colder or wetter months.

Upstairs, the property continues to impress with four genuine double bedrooms — a rare and highly desirable feature. The principal bedroom benefits from its own en-suite shower room, creating a private retreat, while the remaining bedrooms are served by a well-appointed family bathroom. The balanced layout makes the home equally suited to growing families, visiting guests or those working from home.

Outside, the rear garden has been designed for enjoyment and ease of maintenance. A paved patio area provides the perfect setting for outdoor furniture and alfresco dining, ideal for summer barbecues or evening drinks. The remainder of the garden is laid to lawn, a safe and spacious area for children to play, pets to roam, or keen gardeners to cultivate their own green haven.
