Located in a popular residential area of Bodmin, 74 Gilbert Road is a warm and welcoming three bedroom mid terraced townhouse, thoughtfully laid out over three floors and perfectly suited to first time buyers or anyone looking for a home that is ready to move straight into.

As you step inside, you are greeted by a spacious hallway that immediately feels light and inviting. Just off the entrance is a convenient cloakroom WC, ideal for guests, along with a really useful storage cupboard that provides space for a tumble dryer, neatly tucked away next to the ground floor toilet to keep everything organised.

To the right, the kitchen is both stylish and practical. There is plenty of worktop space for preparing meals, generous storage, and integrated appliances already in place. You will also find space for a fridge freezer, plumbing for a dishwasher and washing machine, and a four point gas hob for keen cooks. LED lighting beneath the cupboards adds a modern, high end touch, while the newly installed boiler in October 2025 offers reassurance and efficiency for years to come.

At the rear of the property is the heart of the home, a vibrant and comfortable living and dining space. It is a room that naturally brings people together, whether that is relaxing at the end of the day or hosting friends and family. French doors open straight out onto a raised decked garden, making it easy to enjoy outdoor dining in the warmer months and creating a lovely connection between inside and out.

Up on the first floor are two generous double bedrooms, currently used as a walk in wardrobe and a home office. This really shows how flexible the space can be, easily adapting to suit your lifestyle. The family bathroom on this floor has been recently renovated and is finished in a fresh, modern style, complete with a bath and shower over, WC and basin.

The top floor is dedicated to the impressive master suite. There is ample room for a super king size bed, which fits comfortably, along with additional furniture, creating a peaceful retreat at the end of the day. A walk in wardrobe fitted with built in Wren storage offers fantastic organisation and leads directly through to the en suite. Here you will find a walk in shower, basin, WC and additional storage cupboard, completing the interior of this lovely home.

Outside, the property benefits from one allocated parking space, as well as additional first come, first served visitor parking. The rear garden is low maintenance and enjoys a sunny aspect, making it a real suntrap. Recently replaced fencing, a decked seating area and a storage shed add to its practicality and appeal. To the front, a communal grassed area provides an open and pleasant outlook.

This is a fantastic first time buyer opportunity in a sought after part of Bodmin, offering modern living, flexible space and a home you can truly make your own. Viewings are highly recommended to fully appreciate everything it has to offer.
