Overview

Occupying an enviable corner position within a well established residential development in East-the-Water, 27 Rogers Crescent is a spacious 4 Bedroom detached home offered to the market for the very first time since its construction. With driveway parking, a single garage and a thoughtfully added conservatory, this is a superb family home with generous and versatile living space, further enhanced by modern energy-efficient upgrades including owned solar panels with battery storage (approximately 4kW capacity) which generate an income, together with an OHME Pro electric vehicle charger.

The ground floor accommodation is well-arranged for modern living. A welcoming Entrance Hall gives access to a bright and comfortable Lounge - ideal for relaxing evenings, with double doors opening to the garden patio. A separate Dining Room, creating a sociable flow between the principal reception areas, leads to the Conservatory (added by the current owners) providing valuable additional living space and enjoying a pleasant outlook over the garden.

The Kitchen is positioned to the front of the property and offers ample cupboard and worktop space, with room for everyday dining. A useful ground floor Cloakroom and a separate Study complete the ground floor layout, the latter being ideal for those working from home.

Upstairs, the property continues to impress with 4 well-proportioned Bedrooms. The principal bedroom benefits from its own En-suite Shower Room, while a second bedroom also enjoys En-suite facilities – perfect for guests or older children. Two further bedrooms are served by a Family Bathroom, making the layout particularly well-suited to growing families.

Externally, the property enjoys a walled garden providing a safe and private outdoor space - ideal for children and pets. The corner plot enhances the sense of space, while the driveway offers off-road parking and leads to the Single Garage.

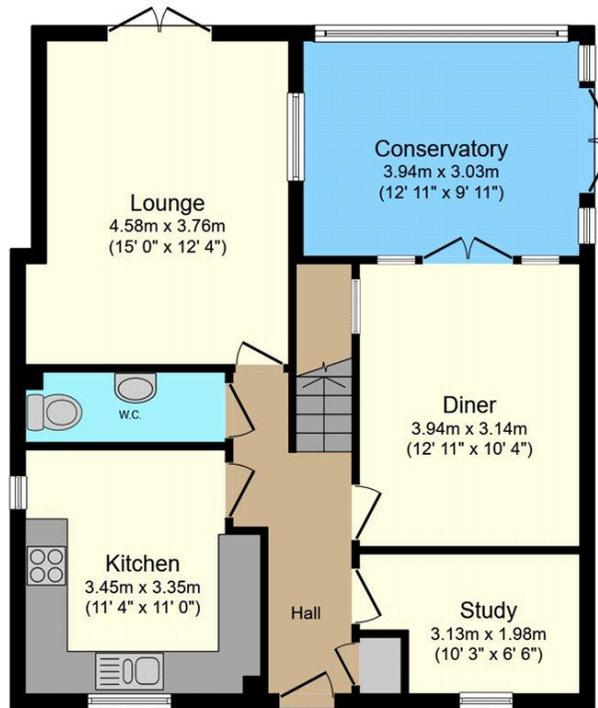

Connected to mains gas, electricity, water and drainage, and conveniently located for local schools, shops and amenities within East-the-Water and Bideford beyond, this substantial detached home represents a rare opportunity to purchase a long-held family property in a sought after residential setting, with the added benefit of renewable energy features and EV charging already in place.

Area Information

East-The-Water is a suburb of Bideford that, as the name describes, is on the eastern bank of the River Torridge to the main town. It operates fairly independently as it has its own shops, community hall and a well-regarded primary school. East-The-Water was once the mining heart of North Devon, with the unique form of coal, Bideford Black, sourced from the area all the way to the sea. Chudleigh Fort and park is close by and commands great views of Bideford and the old bridge. When you need to be practical, one of the towns largest supermarkets is also very close by on foot.

In the wider area, Bideford boasts a host of pubs, restaurants, a weekly cinema and various sporting clubs to join/follow. It has many open spaces to explore as well as pleasant river walks along the River Torridge or by the working Quay. Bideford also supports a raft of interesting independent shops and small businesses in its narrow streets. Check out the Pannier Market and Market Place shops for its array of craft and farm food stores.

East-The-Water is within short driving distance of the Atlantic Highway (A39) that is the main feeder route across the region leading to Wadebridge in Cornwall to the south-west and to the M5 by Tiverton in the east. A bus service provides access to North Devon's capital, Barnstaple. Bus users can also reach Westward Ho!, Bideford, Braunton, Appledore, Croyde and Ilfracombe.

Directions

From Bideford Quay, cross the Long Bridge and take the first exit at the mini roundabout towards Barnstaple. Continue past Tamar Trading before taking the next right hand turning onto Manteo Way. Take the second left hand turning into Watkins Way, then turn right into Rogers Crescent to where the property can be found on your left hand side toward the end of the crescent, on the corner.
