

8 Roseville Avenue , Bangor, BT19 1BZ

"The key to a successful renovation project is to buy at the right price, buy a solid property and buy in an area with a "high ceiling value" that allows you to add value and see a return for your work. Located in the highly sought after Bangor West area, close to Crawfordsburn and the major commuter routes to Belfast, 8 Roseville Avenue is a prime candidate for your next project". The property has not been abused and already benefits from Phoenix gas central heating plus uPVC double glazing and fascia. It currently offers 3 double bedrooms, a family bathroom plus ground floor WC, a kitchen with dining area, a lounge with gas fire and a second reception room. For me, I'd start by knocking the kitchen and second reception into one. There's no need to spend £20 grand on a kitchen so £10,000 could take care of all of this. A new bathroom would be roughly another £3-4,000 and then it's mainly just redcoration. Of course the desirability of this area would also potentially justify the cost of an extension and you need only take a quick look around the area to see what others have done for some inspiration. Externally there is a detached garage with a tarmac driveway and gardens front & rear in lawn, timber decking, pebbled area and planted beds. View with an open mind and a bit of vision and you won't be disappointed.

Offers Around £269,950
