Nestled within the heart of the ever-popular North Devon village of Parkham, this beautifully presented semi-detached home offers the perfect blend of modern comfort, countryside charm and village lifestyle. Constructed in 2021 by highly regarded local builders, Pearce Construction, the property still benefits from approximately five years remaining on its structural warranty.

From the moment you arrive, the home presents a welcoming first impression, with private driveway parking for two vehicles conveniently positioned to the front. Inside, the property has been thoughtfully designed with light, space and practicality in mind. The kitchen is particularly generous in size — far more spacious than many comparable homes — offering ample worktop and storage space along with room for a washing machine and freestanding fridge/freezer. Whether preparing family meals or entertaining friends, this is a room that works effortlessly for everyday life. To the rear, the lounge/diner is another beautifully proportioned space. Bathed in natural light, it enjoys a delightful outlook over the enclosed garden, with elegant French doors that open directly onto the patio — creating a seamless connection between indoor and outdoor living. In warmer months, this space truly comes into its own, perfect for summer gatherings or relaxed evenings with the doors open to the countryside air.

Upstairs, both bedrooms are comfortable doubles — a rare and highly sought-after feature. Each room provides ample space for wardrobes and additional furniture, while enjoying attractive views over the surrounding Devon countryside. Waking up to rolling green fields beyond your window is a daily reminder of the peaceful setting this home enjoys.

The enclosed rear garden offers a wonderful sense of privacy, with no properties overlooking from behind and the added benefit of convenient side access. It provides a fantastic blank canvas for those looking to enhance their outdoor lifestyle — whether that is installing raised vegetable beds or a small greenhouse for home-grown produce, or designing a wildlife-friendly retreat filled with pollinator planting and birdsong. There is ample space for a lawned play area, or a cosy firepit corner for evening entertaining under the stars. Safe, secure and wonderfully peaceful, this garden is perfectly suited to relaxed summer barbecues, morning coffees in the sunshine, or simply unwinding while enjoying the surrounding countryside atmosphere.
