

Building Site Legacorry Road , Richhill, BT61 9LB

A prime development opportunity extending to approximately 0.1852 hectares (0.46 acres). The site previously benefited from historical planning permission for three detached dwellings, presenting an excellent prospect for builders, developers, or those seeking to create a small bespoke residential scheme (subject to any necessary planning approvals).

The site occupies a pleasant setting and offers the potential to deliver family homes within a manageable development footprint. Opportunities of this nature are increasingly rare, particularly those with an established planning history which may assist future applications.

Further details regarding the previous planning approval can be made available on request.

Offers in the region of £175,000
