

5 Church Park Cottages Carrowdore, Newtownards, BT22 2JR

"Attention property developers and skilled DIYers! Like me this property has had a tough paper round and is not looking its best just now. Unlike me though, a few pounds spent and you could give it a new lease on life and have a lovely and relatively modern home."

The property was built around 2001 and is a charming end townhouse set in a quiet cul de sac. It offers 3 first floor bedrooms, a family bathroom, a lounge, with an empty space for a fireplace or stove, and a kitchen/diner. If it was mine, it would be kitchen out, bathroom out, fresh paint and new flooring throughout - bish, bash, bosh - job done. The windows and doors may require some repairs or replacement as will the rear decking. It already benefits from uPVC double glazing, oil fired central heating and a pleasant countryside aspect to the rear. There is ample parking to the front and an EV charger as a bonus.

Yes, it's a project property, but it is young and has been priced to allow for the necessary work whilst still returning a dividend, as long as you source your fixtures and fittings sensibly.
