This is an incredibly rare opportunity to purchase an exceptionally well presented three bedroom detached bungalow with garage occupying a spacious site with superb sun orientation in this very sought after residential location. Extended and fully renovated over the years, the property boasts PVC double glazed windows and external doors, oil-fired central heating and a generous but manageable site with decent parking, garage and excellent sun orientation to enjoy the private rear garden and raised patio area. Internally, the extension accommodates a substantial kitchen with informal dining area leading to the vaulted roof sunroom accessed via wooden steps. The luxury light grey coloured kitchen units and complimentary polished granite work surfaces are supported by a range of integrated appliances to include a "Neff" induction hob, dishwasher and located in the adjoining utility (former kitchen) a "Smeg" mid level oven and separate grill. Designed with the kitchen and dining extension as the hub of the home, the adjoining living room and sunroom create an open plan feel yet with each area well defined. With three bedrooms, two of which benefit from built-in wardrobes with sliding mirrored robes, this property is ideal for someone wanting to downsize or indeed for those trying to purchase a more affordable first time home in this exclusive area.

Finished to a high specification throughout, this property can only be appreciated following full internal inspection.

Early viewing strongly recommended.
