The star of this space is the elegant kitchen extension. Large floor-to-ceiling windows flood the room with natural light, highlighting the modern kitchen which boasts contemporary appliances, ample cupboard and worktop space, and a sleek design. A handy W.C. sits off the back of the kitchen, and easy access to the rear decking and garden encourages outdoor dining and entertaining. The entire ground floor is finished with stylish hardwood flooring, and the mix of LED downlighting, feature drop lights, and wall-mounted lighting ensures a high-spec, contemporary feel throughout.

Moving upstairs, the landing gives access to three bedrooms. Bedrooms two and three comfortably accommodate single beds, while the smallest bedroom is ideal as a study or single bedroom. Completing the first floor is a large family bathroom extension with a separate bath, walk-in shower, W.C., and basin. A large skylight floods the space with natural light, and the modern design complements the trendy finish of the ground floor.

The loft conversion presents a spectacular master bedroom with built-in storage, vaulted ceilings with exposed beams, and carefully positioned LED downlighters. A dormer window captures the morning sun, while a Velux window allows for evening light. The room is bright and airy, showcasing views over Wadebridge, and provides a luxurious, contemporary master suite.

Externally, the property includes a low-maintenance garden. At the rear, a private composite decking area sits alongside the kitchen extension, with stairs leading to the astro-turfed garden, complete with a garden shed. The extensions have been finished in cedar cladding, adding character and presence, while the exposed stonework of the original building has been re-pointed to stand out beautifully.

This is a trendy, high-spec family home in a convenient location, offering flat walks into town and road-side parking. A viewing is highly recommended to fully appreciate the exceptional finish, contemporary design, and position of this stylish property.
