Great Torrington itself is a charming and historic market town, rich in character and community spirit. With its independent shops, welcoming cafés, local amenities, and regular events, the town offers a relaxed yet vibrant way of life. The Commons, spanning over 350 acres, form a truly unique backdrop to the town, providing residents with an exceptional natural environment right on their doorstep — perfect for dog walkers, families, and anyone who appreciates fresh air and scenic surroundings.

Upon entering the property, a welcoming entrance hall provides access to all principal reception rooms, with a staircase directly ahead rising to the first floor. To the left, a versatile room offers flexibility as a home office, hobbies room, or even a ground floor bedroom if required. To the rear of the property, a generously sized living room is filled with natural light and features double doors opening out onto the garden, creating a seamless connection between indoor and outdoor living. The home further benefits from a separate dining room, ideal for both everyday family meals and entertaining.

Upstairs, the property continues to impress with four well-sized double bedrooms. The principal bedroom benefits from its own en-suite shower room, while the remaining bedrooms are served by a family bathroom, completing the first floor accommodation.

Outside, the garden wraps around the side of the property and is predominantly laid to lawn, offering a great space for children to play, outdoor dining, or simply relaxing. There is plenty of potential for landscaping, with areas suitable for seating, planting, or even a vegetable garden, making it a versatile and enjoyable outdoor space.

The property is bright and airy throughout, offering generous proportions that make it ideal for families or anyone seeking a spacious and flexible home environment. To the front, there is off-road parking along with access to an en-bloc garage, providing additional convenience and storage.
