

34 Millhouse Dale, Antrim, County Antrim, BT41 2UN

PRICE Offers Over £214,950

This is an excellent opportunity to purchase a beautifully presented and generously proportioned three storey townhouse occupying an excellent position with superb sun orientation and private rear garden overlooking Antrim Grammar School playing fields. Designed as a five bedroom home the original owner requested that the builder re-configure into four large bedrooms, two of which have ensembles. Two bedrooms on the top floor have been re-arranged into one but window positions have been retained to allow for a stud wall to be reinstated if necessary to sub-divide again. The property also benefits from luxury light grey high gloss high and low level kitchen units with integrated twin ovens, gas hob and dishwasher. Pipework also exists to plumb in an American fridge freezer. Sanitary ware to the ground floor W/C, family bathroom and two ensembles is also considered modern in style. Outside, the side by side parking to the front accommodates two vehicles and is finished in tegula brick while the well maintained, fully paved gardens to the rear are accessed via PVC double glazed French doors from the informal dining.

Only on full inspection can one fully appreciate the quality of this superb family home.

Early viewing strongly recommended.
