Situated within the ever-popular and highly sought after Bay View Road, this attractive first floor 2 Bedroom apartment forms part of a small and select development of houses and apartments, enjoying a peaceful setting in one of the area's most desirable locations. The apartment has been thoroughly improved by the current owner and is presented in smart, tasteful order throughout, with recent enhancements including redecoration and new carpets, making it a very appealing home for those seeking something ready to move straight into.

The property is approached via a Communal Entrance Hall with stairs rising to the first floor where the apartment is found. Once inside, the accommodation immediately feels light and airy, helped greatly by the notably high ceilings which run throughout and add to the overall sense of space. The Living Room is a particularly pleasing room, well-proportioned and comfortable, with a large double glazed window allowing in plenty of natural light.

Positioned directly opposite is the Kitchen, which, whilst compact, is well-designed and well-equipped, offering a range of grey base and eye-level cabinets with matching drawers, woodblock-style work surfaces and stylish splashbacking. There is a built-in oven and hob with extractor over and a built-in washing machine.

The Main Bedroom is a good sized double room with a double glazed window and fitted contemporary-style wardrobes arranged to either side of the bed, together with useful overhead storage. A further thoughtful addition is the ceiling light which is also equipped with a fan, enhancing comfort particularly during warmer months. The Second Bedroom is also a very useable room, suitable as a small double, guest room, home office or dressing room, and benefits from a double glazed window to the front as well as access to a large storage cupboard. The Shower Room has been stylishly updated and comprises a WC, pedestal wash hand basin, heated towel rail and a corner shower enclosure with both rainfall shower and hand attachment.

Externally, the property benefits from well-maintained communal grounds along with an allocated parking space and additional visitors' parking. There is also a useful bin and recycling store for residents. Further benefits include electric wall mounted radiators and the enjoyment of some sea views from the front of the property.

Altogether, this is a very well-presented apartment in a quiet yet convenient setting, ideal for those seeking a comfortable home close to amenities and within a highly regarded location. An internal viewing is strongly recommended to fully appreciate all that is on offer here.
