Overview

Bond Oxborough Phillips are delighted to present this beautifully renovated two-bedroom barn conversion, offering a perfect blend of character charm and contemporary living. The property has recently undergone an extensive programme of modernisation, including the installation of new double-glazed windows throughout, ensuring both comfort and efficiency.

Upon entering the property, you are welcomed by a practical inner hallway, ideal for storing coats and everyday essentials. To the right, the main living room showcases an array of charming character features, complemented by a front-facing window that fills the space with natural light, creating a bright and inviting atmosphere.

To the left, the recently refurbished kitchen has been thoughtfully designed with both style and functionality in mind. It offers ample storage and workspace, alongside a range of integrated appliances including a fridge/freezer, oven, electric hob, and extractor fan. Completing the ground floor is a separate dining room, providing additional versatility and an ideal setting for entertaining. From here, double-glazed French doors open onto the enclosed rear garden, while a useful understairs cupboard enhances the home's practicality.

Upstairs, Barn Owl Cottage continues to impress with two well-proportioned double bedrooms, each benefitting from its own en-suite. The principal en-suite features a bath with drench shower over, low-level WC, and a vanity unit with inset wash basin. Both en-suites are enhanced by Velux skylights, allowing natural light to flood the spaces.

Externally, the property enjoys beautifully landscaped gardens to both the front and rear. The rear garden is designed for low maintenance while offering a generous space for al fresco dining and outdoor entertaining, perfectly complementing the indoor living areas. It also enjoys picturesque views towards the nearby church, adding to the property's charm.

The front garden features a selection of raised beds, ideal for gardening enthusiasts, along with a low-maintenance paved area suitable for a greenhouse or additional seating. Further benefits include a garage and two off-road parking spaces.

This exceptional barn conversion is ideally suited to a range of buyers, combining modern upgrades with timeless character. Ready to move straight into, it offers a wonderful opportunity to enjoy a stylish and comfortable home from day one.

Early viewing is highly recommended to fully appreciate the quality of finish and versatile accommodation on offer.

Area Information

Holsworthy and Okehampton offers a desirable blend of countryside living with convenient access to nearby towns and transport links.

Halwill Junction is a small, well-positioned village set along the A3079, providing easy road connections between Holsworthy and Okehampton. Surrounded by open countryside and close to the edge of Dartmoor, it is particularly appealing to those seeking a quieter lifestyle while remaining within reach of everyday amenities.

Holsworthy, located approximately 7 miles to the west, is a traditional market town offering a range of local shops, supermarkets, schools and leisure facilities, serving as a key hub for the surrounding rural communities.

Okehampton, around 11 miles to the east, provides a more extensive range of amenities, including larger supermarkets, schooling and recreational facilities, as well as direct access to the A30 dual carriageway. This key route offers excellent connectivity to Exeter and the M5 motorway, making the area well suited for commuters.

Directions

From Holsworthy take the A3072 Hatherleigh Road and turn right at Dunsland Cross signposted Halwill/Okehampton. Proceed along this road for approximately 4 miles and then turn right signposted Halwill 1 mile. After approximately 0.7 miles, turn right onto Church Lane. Shortly after, you will take another right turn where you will then find Barn Owl Cottage in front.

We have the facility to refer purchasers and vendors to conveyancing, mortgage advisors and Surveyors. It is your decision if you choose to deal with any of these companies however should you choose to use them we would receive a referral fee from them for recommending you. We will receive a referral fee between £50-£300 depending on the company and individual circumstances. We have carefully selected these associates for the quality of their work and customer service levels.
