Entrance hall

Luxury starts here. Spacious and grand entrance hall with herringbone flooring. This space only begins to set the tone for the rest of this home.

Lounge

Great room. Continued herringbone flooring. Space for fireplace. Dual aspect windows.

Family Room

another superb lounge - don't know which I prefer. Matching Herringbone flooring, another fireplace space and dual aspect but this time with a beautiful Bay window.

Dining

Currently used as dining, this is an adaptable room. Suitable as a third reception / ground floor (sixth) bedroom/ open through to the kitchen ... unlimited options. Same Herringbone flooring continues. Window overlooks rear courtyard.

Kitchen

Modern and well thought out functional kitchen. Excellent range of high and low level units. Hob, extraction and built in eye level oven. Superb bank unit incorporating integrated Fridge / Freezer with ample larder and storage units. Feature Centre island with breakfast sitting area, sink unit and electric points - a real thought out centre point in this space. Tiled flooring.

Utility

Leading off from the kitchen the utility has matching units. Plumbed for washing machine and space for tumble dryer, plus plenty of storage cupboards. One and a half bowl sink and access to rear courtyard and beyond.

WC

White suite comprising low flush WC and pedestal wash hand basin

FIRST FLOOR:

Landing

One of the largest split level landings I have come across. The bathroom and a store room come at the beginning, then FIVE very generous bedrooms off the rest

Bedroom 1

w: 5.11m x l: 3.93m (w: 16' 9" x l: 12' 11")

Just look at the pics - what an outlook from that Bay window. Very large room.

Views over Dixon park. Herringbone flooring.

Bedroom 2

w: 5.28m x l: 4.35m (w: 17' 4" x l: 14' 3")

another fab double with park views. Laminate wood flooring

Bedroom 3

w: 3.82m x l: 3.45m (w: 12' 6" x l: 11' 4")

Great size double. Laminate wood flooring

Bedroom 4

w: 3.45m x l: 3.43m (w: 11' 4" x l: 11' 3")

Bedroom 5

w: 3.47m x l: 11.4m (w: 11' 5" x l: 37' 5")

Bathroom

Great size. Modern white suite with feature free standing bath. Wall mounted sink unit with walnut vanity. Corner shower cubicle with thermostatically controlled shower and glazed shower doors. Floor to ceiling tiling.

Outside

A very deceptive space. Leading from the utility there is an enclosed paved courtyard area. This has steel beams over and lends perfectly to taking it further to create a fab outdoor / indoor eating or entertaining space (or numerous alternatives, subject to statutory approvals)

To the side, leading from the driveway there is another enclosed side and rear garden area. Currently paved and leading to a garage this is a multi purpose very adaptable space.

Further information :

This residence is unique in location and stature.

It must be viewed to fully appreciate the accommodation offer

Overlooking the Dixon park its history tells of grandeur and elegance.

This is one of those truly unique, Town Centre opportunities which don't come up often. If they do they may require renovation. This property retains many original features while already being renovated to moderns standards. A unique find indeed.

Its location, just off The Roddens and its enclosed rear gardens allow detached privacy and seclusion, while still having neighbours close by and being minutes to all local amenities and travel links beyond.
