Given an opportunity to build my own unique home – I would really want to have a view like this. Definitely one of the most attractive aspects of these particular plots. With very far reaching views across to Dartmoor and with Exmoor visible to the North, it is fair to say that the views stretch most of the County! There are three plots, each with full planning permission for a detached home. Plot 2 has planning granted to build a four bedroom, three reception rooms and two bathroom detached property with double garage/carport. Each will have a double garage, plenty of parking and – most importantly – a large garden to enjoy. This was another of the attractive aspects of this opportunity.

Prices from, means exactly that. One can purchase one plot, as it stands today for £160,000. Where there is already a building, this can be removed cost effectively, the water brought on to the site and it is proposed that the three plot owners will divide the cost of having the electricity brought down from above the plots. There is water to the site as a whole, so it just remains to have it connected to your plot. This, as mentioned could be included within an offer above the start price and will likely represent a 50% saving for some elements. There is mains electricity available on site however, you may opt for an off grid supply with solar and battery back up which would be a great way to future proof and reduce running costs. The plots have fibre connected, up to 1800mbps (information taken from Ofcom checker).

Naturally, if you were wanting a larger slice of this stunning location, more than one plot can be purchased, and subject to adjustment in the planning (and permission) a larger single dwelling could be built. Developers should also find a reasonable profit as there will be strong desirability for the proposed finished products.

Located within in the parish of St Giles, the homes will be close Great Torrington – A Market Town with great history and surrounded by 360 acres of commons which adjoin the Tarka Trail – a 180 mile recreation highway. The North Devon Coast with its stunning sandy beaches, Barnstaple Town, Bideford Town. More locally, the Villages of Dolton (which is beautiful and offers every day amenities, Butchers, two pubs – one of which is Michelin starred! – shop and Post Office all close to the Halsdon Nature Reserve which borders the River Torridge), and Roborough, (which has fantastic recreation facilities including Tennis Court and Football Pitch as well as a separate and secure dog exercise area - and the New Inn to compliment the social nature) are each a short drive away. The nearest train station is Umberleigh and is 10 minutes' drive away with free parking, and trains to Exeter City run every hour, most days. So one is actually quite well connected considering you are surrounded by open countryside.
