

17 Penbrooke Avenue , Bangor, BT19 7WY

Located close to Bloomfields Shopping centre and Primacy Farm Shop, this straightforward semi detached home would make an ideal first time buy or fresh start at an affordable price.

The property follows a traditional layout with open plan lounge/diner, with multi fuel stove, and kitchen on the ground floor plus 3 bedrooms and a family bathroom on the first floor. It benefits from uPVC double glazing and Phoenix gas central heating. Externally there is a pleasant and generous enclosed garden to the rear, in lawn with paved patio, plus a small lawned garden and paved driveway to the front with mature trees and shrubs.

A little bit of redecoration or modernisation here and there would certainly add value if desired but as a chain free property it is essentially walk in ready and you can make the changes you want at your own pace and according to your own budget without pressure.
