The Department of the Environment in pursuance of its powers under the above-mentioned Order hereby

GRANTS PLANNING PERMISSION

for the above-mentioned development in accordance with your application subject to compliance with the following conditions which are imposed for the reasons stated:

1. As required by Article 34 of the Planning (Northern Ireland) Order 1991, the development hereby permitted shall be begun before the expiration of 1 year from the date of this permission.

Reason: Time limit.

2. The existing mature trees and vegetation along the entire site boundaries shall be retained intact except where it is required to provide sight lines. No trees or vegetation shall be lopped, topped or removed without the prior consent in writing of the Department, unless necessary to prevent danger to the public in which case a full explanation shall be given to the Department in writing at the earliest possible moment.

Reason: In the interests of visual amenity and to ensure the development integrates into the countryside.

3. All landscaping comprised in the approved details of landscaping shall be carried out in the first planting season following the commencement of the construction of the development hereby approved and any trees or shrubs which, within a period of five years from the completion of the development, die are removed, or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species.

Reason: To ensure that there is a well laid out scheme of healthy trees and shrubs in the interests of visual amenity.

4. The vehicular access, including visibility splays and any forward sight line, shall be provided in accordance with the approved plans, prior to the commencement of any works or other development hereby permitted.

Reason: To ensure there is a satisfactory means of access in the interests of road safety and the convenience of road users.

Informatives

1. The approval does not empower anyone to build or erect any structure, wall or fence or encroach in any other manner on a public roadway (including a footway and verge) or on any other land owned or managed by the Department for which separate permissions and arrangements are required.
2. Notwithstanding the terms and conditions of the Department of Environment's approval set out above, you are required under Article 71 - 83 inclusive of the Roads (NI) Order 1993 to be in possession of the DRD's consent before any work is commenced which involves making openings to any fence or hedge bounding the site. The consent is available on personal application to the Roads Service Section Engineer whose address is Castle Barracks, Enniskillen. A deposit will be required.
3. It is the responsibility of the developer to ensure that surface water does not flow from the site onto the public road. The existing roadside drainage is accommodated and no water flows from the public road onto the site. Surface water from the roof of the development hereby approved does not flow onto the public road, including the footway.
4. Environmental Health Comments

The Environmental Health Department has no objection in principle to the above proposed development subject to:

Any septic tank unit being a minimum of 15 metres from the proposed dwelling or any other habitable dwelling (existing or approved).

The proposed development being sited a minimum of 15 metres from any septic tank (existing or approved).
